Dear Educator,

My name is _____, and I am an attorney in the community with _____. I am reaching out to share an educational opportunity developed by the Law-Related Education Department of the State Bar of Texas.

The Law-Related Education Department is committed to providing law-related education resources to teachers and students free of charge. A complete list of available resources can be found at https://texaslre.org/.

I would appreciate the opportunity to visit your classroom and present **Legal Beagle and His Courthouse Friends coloring book.** The project is designed to introduce the legal system to K-3 elementary students. Through this coloring book, younger elementary students can learn about the legal system by meeting key figures who play important roles in a trial. Each student will receive a copy of the coloring book.

You can preview the online version of project **Legal Beagle and His Courthouse Friends** coloring book here:

I would greatly appreciate the opportunity to visit your school and present this program to your students at a date and time convenient for you. The presentation is offered at no cost to the school.

If you are interested in scheduling a presentation or would like additional information, please contact me at _____ or by email at _____.

Thank you for your time and consideration. I look forward to hearing from you and hopefully having the opportunity to share this program with your students.

Best regards,
